The Willows is able to offer the ultimate experience in accommodation and care using assistive technology with specialist staff on hand whenever you need them.

Rooms are spacious and fully equipped with some of the latest technology to provide an enabling environment. With bi-fold doors to all rooms, moving in and out of your room gives you access to the landscaped garden and your own patio area.

The bedrooms are fitted with a H-frame track system enabling minimal handling and maximum comfort. The large ensuite provides a wet room with easy access and each room is fitted with an electric profiling bed and comfort mattress along with a flat screen TV and Wi-Fi access.

## Willows

Willows is a stand-alone purpose built unit designed to enable you to receive the support and care you require in an environment that is supportive and above all, individual.

The Willows has been designed to provide advanced level care with specialist interests in Spinal injuries, Rehabilitation and Re-enablement, supporting you through the duration of your stay.

On entering the Willows you are greeted by a feeling of space and light this is due to the central atrium, wide corridors, and the use of natural woods and light colours.

The care we provide:

- Long Term
- Short Term
- Rehabilitation
- Respite
- Intermediate
- Emergency Respite
- Delayed Discharge

The design of the lounge and dining areas has incorporated both practicalities with modern design.

From height adjustable mobile work tops and flexible cupboard system, to the base units with sliding components our café style servery has been designed to enable you to maintain your independence while continuing with your rehabilitation.

Furthermore the lounge area presents a comfortable and pleasant environment containing a flat screen television with SKY TV, games console and film subscription to be used for relaxation and entertainment.

The combination of a state of the art gym with highly experienced professionals including physiotherapists and occupational therapists enables the Willows to develop and deliver a care package as individual as you are, working with you every step of the way in achieving your targets to recovery.
